Dear Dr. Maurice Ling,

I am Shaleen Verma, father of Sragvi Verma, your Year 3 student at MDIS.

I am writing to express my gratitude for the guidance and support you have provided to my daughter in her learning journey. I kindly request your continued support and mentorship as she progresses further, shaping her career and future course. Since this field is relatively new to me and my knowledge of potential future paths may be limited, it will be beneficial for Sragvi to seek guidance from her mentors and teachers throughout her career.

Although we haven't had the chance to meet in person, Sragvi consistently speaks highly of the guidance and support you have provided. For this, I am truly grateful.

I would be delighted to meet you at your convenience.

Wishing you the very best. Thanks.

Thanks & Regards
